Neighbourhood Plan Document

Discussion with LB regarding proposed sites for development.

LB reported that he had passed the sites across to WLDC Planning Department and they have made a lot of positive comments and have been included in the Waddingham Potential Site Allocations Document.

LB recommended we hold a public event that will offer some options to the village.

Resolved to hold event of 19 February 2019 at 6.30pm, Waddingham Village. Advertise event in The Triangle and on the Waddingham website.

Discussed site development drainage, density, open spaces etc with SW who was very receptive to our vision.
