Monthly bulletin featuring RSN Rural Funding Digest & Government Consultations

Welcome to the monthly Funding Digest!

Our usual publications have all been rolled into one weekly Rural Bulletin but we know how useful members find the Funding Digest (previously the Opportunities Bulletin) so we are keeping it as a monthly standalone publication!

Please share with Colleagues, Parish Councils, Community Groups and anyone else that may be looking for funding as the Funding Digest includes many sources of grant funding that they may not be aware of.

The Government Consultation section may include a draft response to relevant rural consultations and also highlights other consultations relevant to rural areas which you may be interested in responding to.
