Subject: Calling Lincolnshire's budding photographers...

Good Afternoon All,

I am currently on the hunt for the perfect photo for the March edition of LALC News and wondered if anyone has any lovely spring photos of their areas, landmarks etc that they would be happy to share and give consent to be used as the front cover? This could even be from a local resident providing that they give written consent that the photo may be used and shared for this purpose.

This is not just relevant for this particular edition and will be something I will look to do for future editions, providing there is nothing specifically linking to a news article (such as award winners, event photos etc).

Please send your photos across to me at amy.bestwick@lalc.co.uk with a short statement giving explicit consent for the use of the image.

Thank you in advance!

Kind Regards,

Amy
