Please be aware that the Lincolnshire Resilience Forum (LRF) Communities and Volunteer Coordination Cell within the County Emergency Centre, will be operational from **8am to 4pm** Tuesday 17th March 2020 until further notice. The cell will be active Monday to Friday.

Currently the cell has been tasked by the LRF to gather information about local activity **only** and **not** to mobilise, task or deploy any organisation, community group or individual. Reports are coming in of organisations/communities/individuals kindly offering support to those members of the community who may be self-isolating and/or vulnerable. Whilst we applaud this community spirit it is essential that you do not put yourselves or others at risk in any way. We need to build a picture of current community activity within Lincolnshire in order to best support you going forward.

We actively encourage you to notify us of any current or planned activity you are aware of within your community by contacting us via email CEC_CVC@lincoln.fire-uk.org We can also be contacted Monday to Friday 8am to 4pm on Lincoln (01522) 787034. We will remain in regular contact with you and would appreciate you doing the same.

Keep safe, stay well

Steve Eason Harris
LRF Communities & Volunteer Coordination Cell (CVC) Chair
