Win £5,000 for your community

**Our Rural Community Fund is up and running,
with applications now open until 9th April 2020!**

Hello Ms Wright,

We're offering rural off-grid communities, that aren't connected to the mains gas grid, the chance to win up to £5,000 for projects that will improve local life. And applications for funding are open now!

Your project could be anything from a community centre revamp, to initiatives to support the elderly. Whatever it is, we want to hear it!

Supporting you, support your community

It's Calor's 85th birthday this year, so we thought it was only right to bump up the total funding pot to a wonderful £85,000 – our biggest prize pot ever! And with a new prize pot, comes a brand new website. So you'll

ever! And with a new prize pot, comes a brand new website. So you'll need to create a new account to apply for funding and support local projects.

We have **22 prizes** up for grabs: **11 x £5,000**, **6 x £2,500** and **5 x £1,000** grants. We're even dishing out £500 to every finalist that doesn't receive a top prize.

This year we've changed the way we're doing things a little. We've partnered with Crowdfunder to give projects the additional option to actively raise money through crowdfunding, and even changed the way you can support your favourite projects.

Get involved

Applications for funding are now **open until 9th April 2020** so submit yours for a chance to win.

We're so excited to receive your applications and look forward to getting to know your community projects!

Many thanks,

The Calor Rural Community Fund
