Coronavirus — information for parish & town councils

NALC has updated its dedicated webpage on the coronavirus. This includes further information on local council meetings. See the updates below:

Local council meetings

On 2 April, the government published **The Local Authorities and Police and Crime Panels (Coronavirus) (Flexibility of Local Authority and Police and Crime Panel Meetings) (England and Wales) Regulations 2020**. These regulations come into force on 4 April. NALC will be producing two documents which will be available next week — a legal briefing note on our interpretation of the regulations and practical guidance for local councils on how to hold effective remote council meetings.

This information forms part of a NALC's dedicated webpage on the coronavirus. It should not be used as a substitute for government advice, however, there are some practicalities specific to local (parish and town) councils where we hope this information will help you plan ahead and manage your risks. If you would like further advice and support on any of these topics for your local council then please **contact your local county association**. This is a fast-moving situation and we will be updating the webpage regularly.
