Dear Parish/Town Council

As a Parish/Town Council within West Lindsey we would like to offer you the opportunity to have your say on how you think the council should spend its budget for 2021 to 2022.

As you will no doubt be aware, times are challenging and with the covid-19 virus the situation has changed more since we last consulted on our budget.

The council will shortly be setting the council tax for 2021/22 and, as part of this process, we want to keep businesses and residents of West Lindsey informed on this issue. We would therefore like to invite you to take part in this consultation in which you will have a chance to understand the current situation and share where you believe our priority should be.

As always, it is important that we hear from all members of the community. This consultation is open to all residents of West Lindsey so please feel free to pass this onto any resident you feel might be interested.

The survey can be reached through the website page www.west-lindsey.gov.uk/budget2020 and both the survey and videos can be accessed from there. The video outlines the current situation for West Lindsey and we do ask wherever possible for people to watch this prior to completing the survey.

I very much hope you will be able to take part and feel sure that you will find it interesting. If you have any questions or queries please contact the Engagement Team on 01427 676676 or by email engagement@west-lindsey.gov.uk.

Kind regards
Katy
