## HOARDING SURVEY

A new survey aims to find out more about hoarding in Lincolnshire. A joint project between LFR and the county council's public health team, is looking at how people with hoarding behaviours can be better supported. The survey will collect data on hoarding, and review the current methods of referring and helping people in the county. Please could as many people as possible complete the survey. The survey can be completed by anyone, but is aimed at people who enter other people's homes as part of their work. If you know of anyone who may come into contact with hoarded properties, please could you share with them.

Please click here <https://www.lincolnshire.gov.uk/directory-record/65050/hoarding> to take part in the survey, which ends on Friday 3<sup>rd</sup> July.
