Hello

I hope this email finds you well and safe.

Over the last few months almost every aspect of our lives have been affected and altered by the Covid -19 virus and it has been a very testing time for all citizens.

We have been busy working supporting the local bus network and ensuring our LCC CallConnect bus service continued to operate over the last few months - however post lock down public transport will be very different and social distancing, hygiene and face covering measures will be in place.

For everyone who travels on public transport please consider carefully the times, routes and ways you travel. This will ensure all will have more space to stay safe. If possible we would encourage travel after peak times for concessionary bus pass holders.

Bus services will continue to change at unusually short notice and consequently timetables at bus stops will not always be updated. We advise passengers to refer to the operator directly via their website or head office. Lincsbus.info is an up to date website of bus services and operators in Lincolnshire. Alternatively- travelline.info and travellineeastmidlands.co.uk helpful website for journey planning.

From Thursday 25rd June we will be displaying the attached posters in bus shelters across the whole of Lincolnshire. There are over 800 of these shelters across the whole county so it will take about 4 to 5 days to do this work. These will not go onto all bus stops, just shelters but if you would like A4 copies for your notice boards (sorry that is the only size we have available) please email TSGPublicityTeam@Lincolnshire.gov.uk and we will send you the posters you require. This link could also be helpful for any parish newsletters articles that you may be publishing.

Help keep our

Help keep our buses safe

Take a window seat, avoid standing and leave space in front and behind you.

Please be patient and wait for passengers to get off before you board a bus

Do not stand or queue in the aisle or next to the bus driver

If you can, wear a face covering where social distancing isn't possible.

STAY ALERT › CONTROL THE VIRUS › SAVE LIVES

Stay safe

Keep 2m apart from people not in your own household while waiting

Look out for 'bus full' signs

The bus will only stop when people want to get off or if there is enough space onboard

If they do stop, they will normally only be able to let one passenger on for each one that gets off.

Be prepared to wait and please help others by prioritising those who need to travel more urgently than you

STAY ALERT • CONTROL THE VIRUS • SAVE LIVES
