This information forms part of a NALC's dedicated webpage on the coronavirus. It should not be used as a substitute for government advice, however, there are some practicalities specific to local (parish and town) councils where we hope this information will help you plan ahead and manage your risks. If you would like further advice and support on any of these topics for your local council then please [contact your local county association](#). This is a fast-moving situation and we will be updating the webpage regularly.
