Dear Parish and Town Clerks,

We have received the email below from Trading Standards, please be vigilant and if you could please pass this message on.

Kind regards,

Michael Pollard
Communications Officer

Beware business that could be posing as council highways team to get tarmacking work

Lincolnshire Trading Standards is investigating after reports of a company touting for business by purporting to be working for the county's highways team. The company is allegedly misleading people into believing they are from 'highways' and offering to carry out resurfacing work such as tarmacking or repairing potholes.

Please take extra care if you are looking to have tarmacking or resurfacing work done for your town or parish council. The contractors working on behalf of Lincolnshire County Council drive clearly identifiable, liveried vehicles, and a highways officer, or one of our contractors, would never approach you out of the blue and offer to do work.

If you think a business has broken the law or acted unfairly, you can report them to Trading Standards through the Citizens Advice Consumer Service. Visit www.citizensadvice.org.uk or call the consumer helpline on 0808 223 1133.

You can read more about this on our [website](#).

If you need any further information please do not hesitate to contact me

Kind Regards

Emma
