Dear Parish Clerks,

On the 3rd of August the guidance in relation to managing playgrounds and outdoor gyms was updated. It can be found following this link:
<https://www.gov.uk/government/publications/covid-19-guidance-for-managing-playgrounds-and-outdoor-gyms>

I know that many of you have successfully reopened your playgrounds and outdoor gyms and if you have not yet done so, the attached guidance should provide you with assistance to enable you to.

The Council also has a range of supporting information available here on its covid 19 toolkit <https://www.west-lindsey.gov.uk/coronavirus/coronavirus-support-for-businesses/>

Whilst this is primarily aimed at businesses the principles in relation to risk assessments are consistent and may be helpful.

Thanks to all of you that have taken steps to reopen these much needed community facilities.

Yours Sincerely,

Andy Gray
